This year, we are happy to host a panel discussion about young Democratic leaders shaping the future of the party featuring Iowa Auditor Rob Sand, Missouri Auditor Nicole Galloway and others.

Auditor Sand won his election in Iowa last year at age 36 making him one of the youngest statewide officials in America, a distinction he shares with Missouri's own Nicole Galloway. How they have been able to stand out and win big races in right-leaning states will be part of the discussion at the Truman Gala as we look to 2020 and beyond behind a new generation of Democratic leadership.

We will also be honoring five special people this year: **Jerry Briggs** and **Elaine Brewer** (Truman Man and Woman of the Year), **Hon. Victor Callahan** (Ronnie DePasco Public Service Award), **Hon. Cindy Circo** (Dutch Newman Woman of the Year) and **Addison Newberry** (Cybil Daniels Young Democrat).
