Fellow Democrats

At the end of this year, the Missouri Democratic Party is taking a pause to reach out to all of our stakeholders and friends to find out their opinion on how we’re doing and what they would like to see from us. We hope that you can take a few minutes to complete this survey and help us plan for 2020.

Disinformation is threatening the democratic process, and an all-of-society problem needs an all-of-society solution. This week, the DNC reiterated their commitment to protecting our democracy by working with social media companies, government agencies, campaigns, state parties, and the general public to combat disinformation online. Please go to democrats.org/disinfo and share the documents with your community and social networks. It’s our hope that by sharing these recommendations publicly and far and wide, we will be able to educate the democratic ecosystem and the general public about disinformation.

Thank you for being our strong and reliable base. With your support, we gain more momentum each day. Our network of Democrats here in Missouri is expansive and dedicated, and it’s prepared to take on 2020.

The Missouri Democratic Party will be closed for winter break from Friday, December 20th at 5pm until Thursday, January 2nd at 9am.

Onward,

Lauren Gepford
Executive Director
