

Our #AdoptAVoter plans
MDP Voter Reg Team

Fellow Democrats,

We all know that when Democrats show up, we win, but with social distancing and “Stay at Home” orders in place, we can’t just go pestering our friends, neighbors, and random people in line at the bakery to register to vote. Here’s our plan to stay home and still help.

We’re launching our Adopt-A-Voter program to give folks like you a unique way to increase voter participation in every single corner of our state. [Check out this interactive map of all the counties and precincts in Missouri](#) to see how many unregistered, likely Democrats there are out there, and for just \$2, you can register one new voter! [Explore your own neighborhood and see the impact you can have on your friends and neighbors!](#)

How does it work?

Once you #AdoptAVoter, we will mail a pre-filled voter registration card to their home with a prepaid return envelope. All the recipient has to do is fill out the card and drop it in the mailbox. We track all cards to make sure they arrive at their local Board of Elections and most importantly, follow-up with anyone who hasn’t mailed theirs back in.

We need every Democrat to make their voice heard and we have an ambitious goal of registering hundreds of new voters in the coming weeks! If you can, pitch in \$2 to get like-minded Missourians registered to vote!

We’ve got lofty goals, but together, we’ll vote in a new Governor, a new Congresswoman, and keep flipping seats in the Legislature!

Thank you for being so engaged and supportive during troubling times. We appreciate it from the bottom of our hearts. Stay safe and healthy.

-Team MDP

P.S. Please forward this email on to other friends and family who are safe and able to help get more Missourians registered to vote before November!
