All,

Everyone is talking about the Dirty Missouri Amendment and what a sham it is – including award-winning political cartoonist John Darkow from the *Columbia Missourian*.

While we were contacting our legislators and battling this outrageous scheme in the House, Darkow was producing some incredible work. What's your favorite Darkow cartoon about the legislature ignoring the will of Missouri voters?

No matter which cartoon gets your blood boiling – or makes you guffaw in exasperation – one thing is clear: these politicians acted in their own interests when they supported the Dirty Missouri Amendment. **Now, we'll have to fight harder than ever before to keep gerrymandering out of Missouri.**

Dirty Missouri is heading to the ballot. If we're going to defeat it, we'll need the power of a dedicated grassroots team to stop politicians from creating the most extreme and divisive maps of any state house plan in the country. [Help send a message to the legislature that we will be voting NO on this sham. Share on Facebook today.](#)

Onward,

Clean Missouri HQ

We need your help getting the word out so every voter knows politicians are trying to rig fair maps — and how they're trying to dupe Missouri voters. Rush support today to help defeat the Dirty Missouri Amendment.
