LAWMAKING IN MISSOURI: Following the process and influencing outcomes

Important (and scary) stuff is happening in the Missouri legislature--attacks on voting rights and the ballot initiative process, funding (or not) Medicaid expansion, privatizing public K-12 education, and much more!

Discover how you can have the greatest impact on the legislative process right here in this state, mostly from the comfort of your own home.

Co-hosted by @Indivisible KC and @Indivisible Missouri
